October 1st-4th

Beginning / Novice Drivers:

This class is for drivers with limited or no track experience. There are several instructors available to ride along with drivers in this class for driver education. For those who demonstrate sufficient skill and aptitude, an instructor may advance you to intermediate standing. To run alone in this class, an instructor must sign off on your abilities. This group will be limited to 80 MPH and passing is prohibited in all areas except for the front straight. Passengers are allowed in this class but driver and passenger MUST wear helmets. Long pants must be worn. Convertibles are allowed in this class.

Intermediate and Advanced Drivers:

This class is only for those drivers with extensive track experience and racing school history. There is no speed limit for this group. In addition to the above regulations, a 4-point harness or better is required along with Nomex suit and gloves. **Passing is allowed on Front Straight Area, Short 2-3 Straight, and 8-9 Straight ONLY.** Cars attempting late or inappropriate passes will be black flagged. **All passes must be on Inside of track and you must receive a hand waive before passing.** Only Instructors are allowed as passengers.

Safety issues:

- All cars MUST have a solidly mounted fire extinguisher within easy reach of driver.
- All helmets must be **Snell-S00 or newer.**
- Racing harnesses showing severe wear will not be allowed.
- All tires MUST be V-rated or better.
- Any aggressive or reckless driving will result in ejection from event.
- Convertible cars without roll bars are allowed in Beginners group ONLY.

Trailer parking is available for Saturday night at the Savannah Convention center next to the Westin Hotel. Security guard will be provided. Mulberry Inn is working on trailer parking for us at the hotel also!
