Hotel Information:

Our host hotel this year will be the **Mulberry Inn**. There is a block of 24 FCA rooms blocked off at special rates. The Hotel also has indoor parking with security set aside for us. The rate for the hotel is \$169.00 per night.

Alternate location: For those wishing a lower cost no-frills location we suggest The Holiday Inn Pooler (SCCA rate is very low).

** New this year is the deposit for meals. In the last 3 years many people have not shown up for meals when they had indicated attendance on their registration. We were charged for each person even though they did not show. As much as I hate to do this, there is no other choice, as the restaurants will not longer work with us otherwise.

Beginning / Novice Drivers:

This class is for drivers with limited or no track experience. There are several instructors available to ride along with drivers in this class for driver education. For those who demonstrate sufficient skill and aptitude, an instructor may advance you to intermediate standing. To run alone in this class, an instructor must sign off on your abilities. This group will be limited to 80 MPH and passing is prohibited in all areas except for the front straight. Passengers are allowed in this class but driver and passenger **MUST** wear helmets. Long pants must be worn. Convertibles are allowed in this class.

Intermediate Drivers:

This class is for drivers with moderate to extensive track experience and racing school history. People with no FCA history wishing to drive in this class must be signed off on by an instructor. This group is limited to 100MPH and passengers are allowed. Helmets and long pants are required, 1 layer Nomex is suggested.

Passing is allowed on Front Straight Area, [and 8-9 Straight ONLY](#). [Passengers are allowed.](#)

Advanced Drivers:

This class is only for those drivers with extensive track experience and racing school history. There is no speed limit for this group. In addition to the above regulations, a 4-point harness or better is required along with Nomex suit and gloves. Passing is allowed on Front Straight Area, [Short 2-3 Straight, and 8-9 Straight ONLY](#). Cars attempting late or inappropriate passes will be black flagged. [Instructors as passengers only.](#)

Safety issues:

- All cars **MUST** have a solidly mounted fire extinguisher within easy reach of driver.
- All helmets must be **Snell-S00 or newer**.
- Racing harnesses showing severe wear will not be allowed.
- All tires **MUST** be V-rated or better.
- Any aggressive or reckless driving will result in ejection from event.
- Convertible cars without roll bars are allowed in Beginners group **ONLY**.

Trailer parking is available for Saturday night at the Savannah Convention center next to the Westin Hotel. Security guard will be provided. Mulberry Inn is working on trailer parking for us at the hotel also!
